THE BARRISTERS' ASSOCIATION RECOGNIZES LAW DAY 2015

PHILADELPHIA, PA. - In recognition of Law Day 2015, the Barristers' Association of Philadelphia, Inc., in partnership with SeniorLAW Center, will host its inaugural **Life Planning Clinic at the West Philadelphia Community Senior Center, 1016 N. 41st Street, Philadelphia, Pa.; May 2, 2015, 9 a.m. to 1 p.m.** Media is welcome to attend.

What is Law Day and Why Do We Celebrate

Established through proclamation in 1958 by President Dwight Eisenhower, Law Day is a day aimed to strengthen our Nation's aspirations for liberty, justice and equality for all under the law.

"America is and always has been a nation of laws. Our institutions of justice are vital to securing the promise of our country, and they are bound up with the values and beliefs that have united people through the ages" stated President Barack Obama in his official proclamation of Law Day U.S.A. 2015.

For the Barristers' Association, Law Day 2015 is an **opportunity to provide free legal services to the most frequently ignored backbone of our community – low income senior citizens.** At the **Barristers' Association's Life Planning Clinic**, volunteer attorneys will prepare wills, power of attorney documents, and healthcare directives for Philadelphia's low income seniors.

"There are few freedoms greater than the freedom to decide who makes your life planning decisions or who inherits your most prized possessions, no matter how great or small," stated Barristers' Association's President Monique Myatt Galloway.
